2023-2024 School Accountability Report Card
(Published During the 2024-2025 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A hard copy of the School Accountability Report Card is available at your School Office, upon request.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/.
Admission Requirements for the California State University (CSU)	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at https://www2.calstate.edu/.

2024-25 School Description and Mission Statement

The Yosemite-Wawona Elementary Charter School is in Wawona, a small community in a mountain valley basin at an elevation of 4000 feet, situated off of Highway 41, between Yosemite Valley and the small town of Oakhurst. We are a unique school located in Yosemite National Park. We serve students in TK-6th grade. We are a tuition-free public charter school that offers a multiage classroom with project-based curriculum that fosters curiosity and life-long learning.

Mission Statement:

2024-25 School Description and Mission Statement

Yosemite Wawona Elementary Charter School aims to produce competent, self-motivated life-long learners in a local community school who have sound academic foundations. We strive to educate problem-solvers who create quality work, work cooperatively, respect others and choose academic paths to enjoyable careers as adults.

Vision:

The vision of Yosemite Wawona Elementary Charter School is to provide a local school within Yosemite National Park that ensures the health, safety and welfare of our local children. We offer a unique education that utilizes the incredible natural and human resources within Yosemite National Park. We offer an educational experience that emphasizes reading, writing, mathematics, science, social sciences, communication skills and a broad-based exposure to other academic disciplines through projects, hands-on activities and real world experiences whenever possible. Learning is achieved in a respectful and supportive environment that enhances integrity, respect, responsibility and compassion for others and the world as a whole.

Academic Program:

The foundation of our academic program is:

- Set in a multiage classroom environment
- A hands-on, project-based curriculum based in Montessori strategies
- A place where students work cooperatively and collaboratively
- Integrated content across subject areas
- Academically challenging at each students' individual level
- Aligned with California Common Core content standards

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements

The Yosemite-Wawona Elementary Charter School (aka. Wawona Elementary School) facility was built in 1996 with funds from the federal Department of Education. It is located on national park land and owned by the National Park Service. It is governed and maintained by Y-WECS under a special use permit. The building complex contains two classrooms, a multi-purpose room with a kitchen, administration offices, and auxiliary facilities. The current capacity of the school is 52 students in grades K-6, based on State loading standards. A Facilities Inspection tool was not completed for the 2018-19 school year as the school was closed. The FIT for the current year was be completed in the fall of 2020.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2023-24 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement

The Yosemite-Wawona Elementary Charter School has an open-door philosophy to encourage family input in the planning, teaching and organizing of our school program. Furthermore, parents (or the assigned responsible adult) are encouraged to:

- Participate in parent/student/teacher conferences to set and monitor individual goals for each student.
- Attend an orientation parent meeting at the beginning of the school year to discuss the plans for the year.
- Demonstrate involvement by participating in school activities and field trips, and attending student-led parent conferences 3 times throughout the school year.
- Maintain contact with the child's teacher on a regular basis.
- Facilitate the child's learning at home by making time for school work and projects, reading with and to the child, and involving the family in extra-curricular enrichment activities such as, visiting museums, cultural exhibitions, the library, etc.
- Volunteer in various capacities throughout the year, as needed, in a variety of areas, such as: school librarian classroom volunteer fund-raising events field trip/activity chaperone teach a special project to a group help with office work coordinate volunteers participate in school activities technology repairs

The Yosemite-Wawona Elementary School is committed to partnership with all parents and students in providing quality education. By requesting that all parents and students participate by accepting the conditions listed in the Y-WECS Parent/Student Agreement, the school seeks to empower the parents to be actively engaged in the process of educating their children and thus improve academic performance.

2024-25 School Safety Plan

The school's Comprehensive Safety Plan continues to be improved and updated annually. The plan includes developing provisions for fire safety, playground safety, bullying, and other topics.
The Emergency Response Plan is complete and its key elements include an overall Emergency Operations Plan, focused on providing information and procedures for emergency preparedness, responding to emergencies, communications, and recovery. This plan was developed with the cooperation, input and approval of the Rangers in Yosemite National Park. Additionally it includes a comprehensive Response Guide for staff, teachers, and parents for common emergency situations. This employs the common language of the Standard Response Protocol, and actions to be used and taken in a given incident or event. The Safety Plan and Emergency Response Plans were developed with the assistance of local emergency response agencies. A new up to date fire alarm system has been installed at the school.
Evacuation and response drills are conducted throughout the year in conjunction with local emergency response personnel.

Fiscal Year 2023-24 Types of Services Funded

There is one certificated employee and two instructional assistants employed at the school. The student to adult ratio is quite manageable and allows for individual student needs to be addressed through a variety of modalities and methods. Students establish learning goals at a meeting with the parents and teacher present early on in the school year. These goals are monitored on a weekly basis throughout the year and at regularly scheduled parent/student/teacher conferences.
